ULTIMATE DIESEL TRUCK SHOW

2018 Rules and Regulations

To register for the Ultimate Diesel Truck Show, you must purchase a ticket through this link:

<https://UCCGear.com/Tickets/event-entry/truck-show-entry>

After purchasing an entry to the Ultimate Diesel Truck Show you will be contacted by a member of the Ultimate Diesel Truck Show staff for further information to complete the registration process. The fee to enter the Ultimate Diesel Truck Show is posted at <http://UCCGear.com> (while spots are still available).

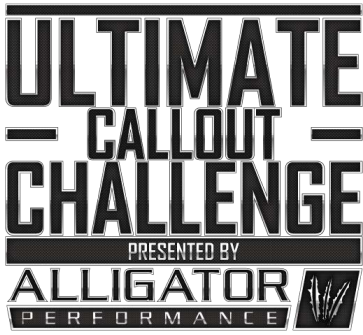

Please contact taylor@dpiexpo.com with any questions.

It is very important that the email address used during the ticket purchase is accurate as there will be information that will be distributed via the Internet. Ultimate Diesel Truck Show understands not everyone has a computer and for those situations, we will handle it on a one-to-one basis through the Ultimate Diesel Truck Show office.

Exhibitors may be unsure of what it takes to compete at the Ultimate Diesel Truck Show event. This rulebook is intended to help you understand the experience of participating in the Ultimate Diesel Truck Show.

Judges can only evaluate what they can see, so be sure to leave your vehicle open as you wish it to be judged, from the opening of the show until after awards.

If your vehicle has modifications which are not readily visible, you should document them in a handbook placed in a visible location. This will help ensure that the judges are aware of all modifications.

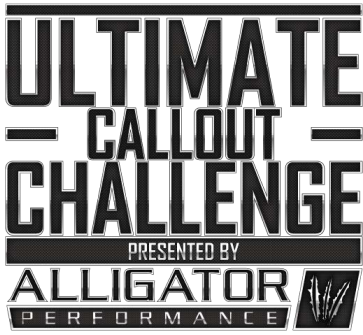

ULTIMATE DIESEL TRUCK SHOW

2018 Rules and Regulations

The continued success of Ultimate Diesel Truck Show event depends on cooperation between exhibitors and show management. The following regulations have been established for the benefit of both parties.

Failure to follow these regulations may result in disqualification.

1. Exhibitors should realize they are on display, along with their vehicles. All exhibitors must adhere to a reasonable standard of dress and conduct; clean, presentable attire is required.
2. No alcoholic beverages will be permitted in the display area from beginning of set-up until after trophy presentations. Violators may be subject to disqualification.
3. No dangerous, uncontrollable or objectionable animals will be allowed in the venue during show hours.
4. All exhibitors are required to furnish their own display materials, including electricity.
5. All vehicles and displays should be presented in good taste. No obscene or suggestive items will be allowed.
6. Entrants must be at the show at least three hours before the show opens to the public to be eligible for competition.
7. At no time will careless or reckless driving by exhibitors or unnecessary noise from entries be tolerated; this includes during set-up and tear-down hours.
8. All "For Sale" signs displayed with entries must meet the approval of the Ultimate Diesel Truck Show staff.
9. "Camping out" with motor homes, RV's or trailers will not be permitted on loading docks or venue site unless arrangements are made in advance.
10. The available space for each exhibitor is 15' x 33'. Each exhibitor is responsible for ensuring that there is enough area available within their location for all judges and spectators to have complete viewing access around each displayed vehicle. Any vehicle that is displayed in a manner that does not allow enough area will be disqualified. If there is a need for more space for a specific vehicle or display, it must be pre-approved by the Ultimate Diesel Truck Show staff.
11. All displays must be completed by the opening of the show to be eligible for any awards, unless otherwise approved by the Ultimate Diesel Truck Show officials.
12. Displays may not be dismantled prior to completion of the entire show.

ULTIMATE DIESEL TRUCK SHOW

2018 Rules and Regulations

13. Tents, backdrops, or any form of display that restricts the viewing area of the event is strictly prohibited.
14. Show producers, show chairmen, show personnel, Ultimate Callout Challenge, Diesel Performance Industry Expo, or Ultimate Diesel Truck Show officials may not be held responsible for theft of, or any damage to, displayed articles.
15. Engines of entries must not be operated while spectators remain in the show building. The seriousness of this offense (as determined by the Ultimate Diesel Truck Show official) would mean disqualification of the violator from competition.
16. If a mechanical failure causes an entry to be late for a show, the exhibitor must notify the producer by phone. He must then bring receipts with him for confirmation and may be penalized for late arrival. If the entry does not arrive by 10 a.m. of the opening day, it will be disqualified from all competition for that event.
17. When an entry is disqualified through the protest procedure, or found to be inoperable by a judge, it will automatically be dropped one position in the class results and will be ineligible for any special awards in those areas directly related to the disqualification.
18. Rules may be subject to change. Please refer to UltimateCalloutChallenge.com/Truck-Show for latest revision.
19. All vehicles and displays must be compatible with any restrictions or requirements imposed by Ultimate Diesel Truck Show related to sponsorship arrangements. Incompatible vehicles or items may be excluded. Hero cards for entries are acceptable.
Sponsorship of individually owned vehicles is permitted under the following guidelines:
 - Sponsorship identification is limited to trailers, show vehicle, display, (single signage no larger than 4' x 3'), and uniforms of owner and crew.
 - No overhead signs with sponsor identification are allowed.
 - No large advertising signs, handbills or business card distribution is allowed with entries. Hero cards for entries are acceptable.
 - All sponsored vehicles must register with the Ultimate Diesel Truck Show as a sponsored vehicle prior to the event.
20. Exhibitors must consider the use of electrical outlets when constructing their displays. Any display that is requiring electrical service must be provided by the exhibitor. Electrical services must be provided by battery or solar power. No generators will be allowed. No electrical service will be available from the venue. All eligible displays must be pre-approved by the show management.
